IMPACT

Since its inception and thanks to the generous support of our sponsors and the community, the Corpus Christi Wine Festival has been able to give back to local organizations such as Big Brothers Big Sisters, the Gulf Coast Humane Society, the NHI youth scholarship program and many others. We are so humbled to be a part of affecting so many lives and causes and invite you to join us.

"Thanks to the Corpus Christi Wine Festival we were able to expand our services and provide Life Changing mentoring relationships to even more kids throughout the Corpus Christi Community."

-Big Brothers Big Sisters, Corpus Christi

"We are extremely grateful to the Corpus Christi Wine Festival and their partners for their support in our future local leaders. I credit NHI with having helped me develop a strong sense of self and our community's beauty and viability. This year, nearly a full third of our team is comprised of students who would not have otherwise attended our Texas Great Debate save for your \$2,500 donation. You are creating both an immediate and long term impact on our beloved community. Thank you for your generosity!" -National Hispanic Institute, Corpus Christi Region

"The Gulf Coast Humane Society greatly appreciates the Corpus Christi Wine Festival's Support. A large portion of our costs go towards medical expenses and costly medications to treat curable conditions like heart worms.

Having resources to purchase these medicines allows us to cure more of our furry friends and get them ready for adoption. Thank you for your support!" -Gulf Coast Humane Society
